Proposals are due by 5:00 PM on Friday, October 11, 2024. The proposal may be sent by mail in a sealed envelope or sent by email to Fernando Martinez at fmartinez@glacvcd.org. Proposals submitted after the due date will not be considered.

This RFP does not obligate GLACVCD to pay any costs incurred by respondents in the preparation and submission of this proposal.

Required number of proposals:

A minimum of three proposals must be received by the proposal due date and time.

Evaluation procedures:

Vendors are encouraged to be creative in responding to this RFP including proposing alternatives in addition to a traditional service delivery model and identifying government incentive programs. Proposals will be evaluated by a selection committee. The committee will consider the completeness of a vendor's proposal and how well the proposal meets the needs of GLACVCD.

Evaluation criteria:

- Price
- Availability
- Service
- Ability to meet deadlines

Permits and fees:

All Permits, fees, and outside vending sources are the responsibility of the vendor. The District is exempt from DMV registration fees.

Response format:

Proposals should be prepared simply, providing a straightforward, concise delineation of the approach and capabilities necessary to satisfy the requirements of the RFP. Technical literature and elaborate promotional materials, if any, must be submitted separately. Emphasis in the proposal should be on completeness, clarity of content, and adherence to the presentation structure required by the RFP.

Contract award:

GLACVCD reserves the right to make an award without further discussion of the submissions. Therefore, the proposal should be initially submitted with the most favorable terms the vendor can offer. The selected vendor will be expected to enter a contract with GLACVCD **General information:**
